॥ श्री ॥

To,  
Dr. Sheeba & Ashwini Ayurvedic Hospital Team,

In past I had lot of backpain due to Slip Disc issue found in MRI report (2010). I used to go to orthopedic doctor for sever backpain but that was the temporary solution.

Orthopedic Surgen from Hinduja Hospital suggested me a surgery for slipdisc for final resolution. And I started the hospitalization process through my company insurance policy.

Meanwhile one of my best friend suggested me for Ayurvedic treatment instead of surgery. With the help of social media (Internet), I found "Ashwini Ayurvedic Hospital" so I came here and approached Dr. Sheeba for the final resolution. Dr. Sheeba very kindly explained me all the details with surety on the Slip Disc issue for the final resolution & I admitted myself for 24 days treatment.

On the 7<sup>th</sup> day in hospital I came to know the shocking news with new MRI report that I have another big issue called "Avascular Necrosis" and for that Hip Replacement is the only resolution.

Dr. Sheeba explained me all the details about new MRI report & changed the medicine & other stuff for new Hip problem including Slip Disc issue.

In duration of 24 days, it was a feeling like at home but not in hospital and that was possible because of all supporting, positive attitude, helpful nature & love from all the staff (Ravi sir, Binu, Anil, Sandhya, Anita & Dr. Sheeba).

[P.T.O]

The inhouse cooked good & tea was served on time to time without fail including medicines. Binu & Anil both are fantastic human beings with full of positive energy & lots of instructions on Do's & Dont's. Sandhya & Anita also explained me lots of stuff with instructions.

WOW... what a fantastic team...

Really Appreciated. Ashwini Hospital should proud of this kind of staff.

Today is my last day of treatment and I can feel much better improvement in me. Dr. Sheeba has suggested me to continue medication stuff for next 3-4 months for 100% cure.

At last moving home with lots of positive hopes & loving memories from here & really wants to thank entire team of "Ashwini Ayurvedic Hospital" & Dr. Sheeba.

You all will be always part of my life.

Thank you very much all of you  
and All the Best !!!

Warm regards,  
Nitin Mahadik  
Goregaon, Mumbai.
